Subject: Recommendation letter for JSL Global Logistics Services for project logistics

Dear Sir/Madam,

This is to certify that we have found JSL Global Qatar's logistics services quite professional, and we highly recommend JSL Global services – Custom brokerage & project cargo movement.

Project Details:

Rehabilitation of Braşov – Simeria railway line

Concrete Segment Factory relocation

Nov 2021 to July, 2022

Door to door basis ex Qatar Factory to Brasov, Romania

1. @109+ Container cargo (OT/FR) + 1200CBM

Overhead crane beams, gantry crane, steam boiler, steel structure & accessories, flying buckets, moulds etc.

Scope of work

JSL Global handled A to Z logistics services Ex Al riffa, Qatar site like site inspection, cargo surveying Safe Transportation on flat beds/heavy low beds & multi – axel trailers, cargo lashing, police escort coordination , Qatar steel approval & consultancy for EOR services, re export formalities, custom clearance and port operations , freight booking & destination delivery including vessel berthing and long girder/crane beams transportation in Romania etc.

We are very happy the way JSL guided us on each logistics matter & provided project cargo movement consultancy for this factory relocation. We want to highlight & thanks JSL specially for arranging custom's site inspection for all cargo. JSL handled hassle free Re export formalities, safe operation at Hamad port, Qatar & at Constanta port, Romania.

2. We wish JSL Global Doha team all the very best and wish they keep on helping Project Logistics clients in Qatar for ongoing projects.

Your sincerely,

Sotirios Koropoulos

Project Director

John Broumis
